Wet and dry vacuum cleaners

WD 5.500 M

Details

Description

Work like the professionals: This Top Class device of Kärcher with 1.800 W max. power, large 30l container and the protruding automatic filter cleaning features impressive suction power, convenience of use and tremendous versatility. Of course everything of the top quality one can expect of Kärcher.

Application

Satisfies highest demands and is perfect for frequent use: Ideal help for huge amounts of dirt in house and yard, outdoors and during workshop and renovating activities. Wether large amounts of fine dust or litres of water - all small and large jobs can be mastered with this Wet & Dry Vac.

Features & Benefits

Automatic Filter Cleaning Quick, simple and convenient: By touch of a button the cartridge filter can be cleaned within seconds and the full suction power is available again. Everything without work breaks and without contact to dust. Special cartridge filter with nano-coating - available exclusively at Kärcher Due to the nano-coating dust can't get into the deep fibers of the filter and high suction performance is guaranteed for a longer period of time. High wet vacuuming capacity because of extra flat cartridge filter. Special material enables wet and dry vacuuming without changing the filter. Automatic cable rewind Cable can be easily and quickly stowed away by touch of a button. 30l container Enables vacuuming huge amounts of water and dirt without work breaks. Drain screw Provides very convenient draining of huge amounts of water. Saves time and energy. Blower Function Helps wherever vacuuming is not possible. In this way e.g. leaves can be blown out of a gravel pit. Parking position Ideal for breaks: the parking position for quick and convenient stowage of suction tube and floor nozzle directly on the machine. Practical hose and accessory storage Space saving, handy and secure storage of suction hose and accessories included in scope of supply or bought later. Patented 3-in-1 handle To conveniently carry the machine as well as open, close and empty the container. Switchable floor nozzle Enables optimal suction of wet & dry dirt from hard floors and carpets. Stainless steel suction tubes Robust and corrosion free. 2,2m suction hose with ergonomic handle For maximal working convenience. Stainless steel container Robust and corrosion free.

Wet and dry vacuum cleaners
